

Hopeful new perspectives and possibilities.

Creating a bold new future.

Join us to explore a new **global vision** built on Environmental Sustainability, Spiritual Fulfillment and Social Justice.

Featuring video insights from inspiring **philosophers**,

Attend the *Awakening the Dreamer, Changing the Dream Symposium*. Together we'll look at our biggest challenges and opportunities today:

- **Where Are We?** – examines the state of our industrial world and our environmental, social, and personal well-being
- **How Did We Get Here?** – traces the causes of our current imbalance and the thinking that got us where we are today
- **What's Possible for the Future?** – explores what really matters to us, our families and communities, and leads to deep connection and surprising solutions
- **Where Do We Go from Here?** – considers the role we want to play in the global movement for change already in motion and the new dream that is emerging
